

tanya vulfson

A half-Dutch, half-Russian, UK-born, New York-raised graphic designer.
I love what I do because I'm expected to do the unexpected.

01 work experience

adidas
Freelance Digital Designer

PRESENT
|
JANUARY 2020

Currently working remotely to provide design assets as a continuation of projects undertaken during my internship.

adidas
Digital Design Intern

JANUARY 2020
|
AUGUST 2019

Worked full time as an intern at Studio A —an in-house digital creative agency for adidas, based in their Amsterdam office.

Performed a range of design work in nearly all stages of development. Examples include: creation of pre- and post-production campaign assets, assisting photoshoots, and UX/UI strategy and implementation.

Wunderwald
Graphic Design Intern

JULY 2019
|
MAY 2019

Assisted the design team of a small, multi-disciplinary studio in Amsterdam. Projects included package design for a leading Dutch beer brand, social media content and strategy, and motion graphics.

02 education

Parsons School of Design
